- Please note
- Rates shown here may be different than the actual charges for your shipment. Differences may occur based on actual weight, dimensions, and other factors. Consult the applicable FedEx Service Guide for details.
 - FedEx Multiweight pricing is available for multiple-piece shipments to one destination on the same day totaling 100 lbs or more for Express and 200 lbs or more for Ground Ground Multiweight pricing available via a contract only.
 - Please do not use FedEx Express packaging for your FedEx Ground or FedEx Home Delivery shipments.
 - Additional charges may apply, please refer to the "Additional Charge" section of FedEx Ground Tariff for more detailed information
 - You must be registered for FedEx Ground service to use Ground International to Canada and Puerto Rico when shipping from a FedEx World Service Center.
 - You can obtain rates for FedEx Ground shipments to destinations within the US, Canada, and Puerto Rico. If you are in a FedEx discount program, contact your FedEx account executive for an exact rate quote.
 - Please refer to your pricing agreement for the surcharges specific to your account number.
 - Transit times for FedEx® Home Delivery, do not include Sundays, Mondays, or holidays. Premium service upgrades and Saturday delivery are not available to all areas.
 - If you need a rate and transit time for a service with special handling options other than Saturday delivery or Saturday pickup, please contact Customer Service.

- FedEx only displays the city or zip/postal codes served by FedEx in the destination and origin countries you selected. The rate and transit time application only uses city name or zip/postal code to define transit time.
- "End of day" means the end of the FedEx business day for deliveries in the destination's time zone. The exact time may vary by destination.
- Transit times for FedEx[®] Ground do not include Saturdays, Sundays, or holidays.
- Transit times for FedEx[®] Home Delivery, do not include Sundays, Mondays, or holidays.
- For FedEx[®] Express and FedEx[®] Express Freight shipments within the US, FedEx offers a Money-Back Guarantee for both service failures and package status failures.
- FedEx Ground can ship hazardous materials within the continental US. FedEx Ground Packages containing hazardous materials cannot be shipped via international services or to Hawaii, Puerto Rico and Alaska
- The service options and delivery time shown are dependent on the ship date, weight, dimensions, declared value, packaging, and/or address entered for your shipment. Any disparities between entered and actual data for your shipment may affect the availability of different service options and may result in a different delivery time and date. Please make sure that your shipment meets the terms and conditions of the service you have requested. For more information on FedEx terms and conditions including Money-Back Guarantee Policy, please see the [FedEx Service Guide](#).
- The transit time results shown are based on the shipment date you provided. The results are valid only if your shipment is prepared and provided to FedEx by the latest published cut-off time in your origin city on the shipment date indicated and all the information entered in the rate and transit time application matched the actual shipment tendered.
- Delivery dates and times are provided for single-commodity shipments only. Information for multi-piece shipments and multiple commodities is not supported in this application at this time. Please contact [Customer Service](#).
- The fedex.com transit time information is subject to change without notice. Consult the [FedEx Service Guide](#) for terms of shipping. In the event of a conflict between the FedEx Service Guide and the transit time on fedex.com, the terms and conditions in the FedEx Service Guide will prevail.
- If your shipment contains a dangerous good, you must comply with all regulations for FedEx Express and Ground shipments regardless of routing or mode, and a trained shipper must identify, classify, mark, label, package, and complete the necessary documentation. If you require assistance, please call 1•800•Go•FedEx, (800) 463-3339 and press "81" to speak with a Dangerous Goods Specialist. For more information refer to the [FedEx Service Guide](#).
